OVERSEAS TOUR

SRI LANKA 2024

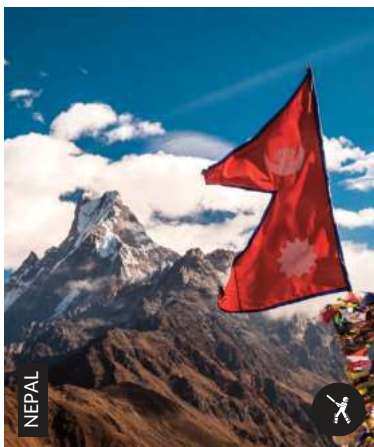

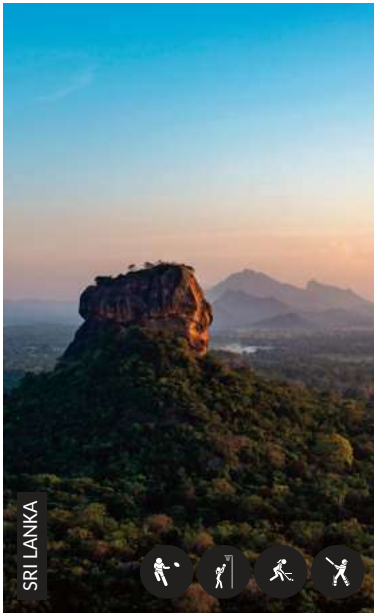

LIONS SPORTS TRAVEL

A bespoke sports tour specialist working with schools, clubs, academies and Counties in organising overseas sports tours.

Lions Sports Travel is set up to assist clients throughout every aspect of the tour starting with designing a bespoke itinerary that matches the requirements, to identifying the right quality of opposition and most importantly for the players and the spectators, combining a tour that has first class hotels, cultural and exciting excursions, with as limited travel as possible, at a price that is fair and right.

INTRODUCTION

BY PETER SYKES, WILTSHIRE CRICKET MANAGING DIRECTOR

Wiltshire Cricket Limited continues to enjoy a wonderful partnership with Lions Sports Travel. Since 2017 we have held annual tours for our boys teams and bi-annual tours for our girls teams with destinations during this period including Sri Lanka, India and the U.A.E. We are incredibly proud to offer the overseas tours as part of our talent pathway programme and a big reason for this is because we know that our players and supporters will enjoy an experience of a lifetime through travelling with Lions Sports Travel.

From a Cricket perspective, the tours consistently provide us with the appropriate level of challenge and the opportunity to play at special venues, ranging from high quality school and club grounds through to some of the incredible international venues that we have experienced. However, aside from the outstanding Cricket experience, one of Lions Sports Travel's best attributes is their constant attention to detail and the personal service that they offer to all players and supporters.

As we look ahead to our 2024 tours, I am firstly delighted that we are returning to Sri Lanka. The country is an incredible place, rich with natural beauty, cultural experiences and a huge passion for Cricket. The people of Sri Lanka are incredibly hospitable and throughout our tour I am sure everyone will get a real sense of how proud the country is to host tours such as ours.

From a cricketing perspective, I encourage all of our young girls and boys to take in every bit of learning possible. The opportunity to play overseas is something that doesn't arise for many and so I encourage you to embrace and engage with every moment, and ... most importantly, have fun!

Away from the Cricket you will see many new things, some of which you will be prepared for through the excursions on our itinerary but some of which will be through the inquisition and interest that will be stimulated simply through travelling to games and excursions. Again, I encourage you all to be interested, be present and to enjoy the opportunity to learn about a country and culture very different to our own.

I would just like to finish by thanking everyone that has helped to make this tour possible. Firstly, Dipan and his team at Lions Sports Travel, secondly our coaching and management team who I know will work incredibly hard throughout the twelve days, and finally our players and parents for all of your support in making the tour possible for the 37 girls and boys who will be representing Wiltshire Cricket in February 2024.

SRI LANKA 2024

GIRLS TOUR

Ayubowan!

Sri Lanka is an incredible country, full of culture, stunning scenery and an inspiring enthusiasm for the game of cricket. We're therefore very fortunate and excited to be touring the country again in 2024, with Lions Sports Travel. Over the years, our tour of Sri Lanka has become an integral and impactful experience for all of our players involved with the Talent Pathway programmes in Wiltshire.

The 2024 tour is an exciting opportunity for our Wiltshire teams to become fully immersed with the Sri Lankan experience.

Throughout the tour, players and supporters can expect to be surrounded by a wealth of culture, from exploring the historical city of Galle, taking in the sights of Colombo, through to experiencing local traditions and culture at each of our brilliant venues. The experience is made even better by the people of Sri Lanka, who are always incredibly welcoming, friendly and enthusiastic. The tour provides so many opportunities for players and supporters to meet new people, form lasting friendships and through our partnership with Pranav Foundation, give back to the people of Sri Lanka.

Cricket is the heartbeat of the tour, and in many cases, is the heartbeat of Sri Lanka too. Whilst travelling around the country, we can expect to see hundreds of Sri Lanka cricket shirts, plenty of street cricket games and at some venues, we will likely draw a crowd of enthusiastic supporters. Cricket is very much embedded within Sri Lankan culture, which makes Sri Lanka the perfect place for our Wiltshire Cricket tour.

With several fixtures and training sessions lined up for the tour, the players have a great opportunity to explore different playing conditions, opposition playing styles and environmental challenges. Putting this all together creates an incredible playing experience, where players can learn, explore and enjoy the various cricket skills and opportunities. Ultimately, this is the reason for touring this amazing country and we hope that the players will head into the 2024 cricket season full of confidence, friendships and a continued love of the game.

Cricket forms a large part of the tour, but having been fortunate to have toured Sri Lanka in the past, one of the days that I'm most looking forward to is our charity day. Through our partnership with Pranav Foundation, many of our players, supporters and friends in Wiltshire have generously donated an enormous amount of cricket and sports equipment, which has been shipped to Sri Lanka for our tour. As a touring group, we are then fortunate to have the opportunity to be involved with donating this equipment to local schools and children, who can then make use of this equipment to support their sporting ambitions. The charity day is usually a humbling experience, and in the past has led to spontaneous games of street cricket being played, friendships being formed and a greater appreciation of the Sri Lankan culture.

The Sri Lanka tour is an amazing experience and I fully encourage everybody to fully immerse yourself within the culture and cricket. The memories that are made on the Sri Lanka tour will stay with you for life and are often subjects of conversations for years to come. As players, the opportunities to learn from the different conditions, playing styles and oppositions are invaluable, so please do be inquisitive and ask plenty of questions, whilst respecting local cultures and traditions.

We're incredibly fortunate and grateful for the opportunity to tour this amazing country, and so my thanks to all of our players, parents and sponsors for your support of this tour. An additional thank you to Lions Sports Travel for putting this tour together.

I look forward to stepping onto the plane and getting started!

Sam Dent, Wiltshire Girls Head Coach

GIRLS COACH PROFILE

SAM DENT

COACHING BIO

Cricket has always played a big part in my life – from my first game of garden cricket at age 3 (ish) through to becoming an employee of Wiltshire Cricket straight after University. I learnt to play the game as a seam bowler, but after deciding that my height complimented spin bowling more, I quickly converted to leg-spin and a few years later, when my club's 3rd XI team was missing a wicket-keeper one week, I was asked to sub-in, and it turns out, I was much better at this than flighty leg-spin, so I'm now fortunate to represent Hatherley & Reddings CC 1st XI in WEPL Prem 2 each week, as a wicket-keeper batsman.

Cricket coaching has been a much smoother journey however, having completed my Level 1 at age 16, Level 2 whilst at Exeter University, and most recently, my Level 3. Through my role at Wiltshire and my many volunteering roles at my club, I've had the opportunity to coach all ages and experiences from All Stars Cricket, through to younger boys/girls club teams (U11, U13 & U15) and of course, the best teams in Wiltshire (U15s Girls, U18s Girls & Women's 1st XI).

Over the last few years, I've been so impressed with the teams and how the County programmes have grown, developed and improved. This is a real credit to all of the players and colleagues that have been involved in the pathway. The Wiltshire teams are always a pleasure to work with and I'm excited to see Wiltshire continuing to improve! We have a great future ahead of us! The 2024 season is also hugely exciting with the introduction of our 1-2-2 sessions, Strength & Conditioning Programme, Sri Lanka Tour and some exciting (Provisional) changes to the summer competitions.

Finally, through our Wiltshire partnership with Western Storm, I'm also fortunate to be one of the coaches on the Emerging Player Programme & Academy Programmes at the Bristol Hub, which has been a great experience so far!

Current Coaching/Management Responsibilities:

- Hatherley & Reddings CC (All Stars, U11 Girls, U13 Girls, U15 Girls, Women's Soft Ball, Women's 1st XI)
- Wiltshire Cricket (U15 Girls, U18 Girls & Women's 1st XI)
- Western Storm (EPP/Academy – Bristol Hub).

FAVOURITE CRICKET MEMORY?

Too many to mention, but some topical memories include:

- Being 1 of only 2 people, in the world (as far as we're aware) to have climbed Sigiriya Rock (nr Dambulla), dressed in full batting equipment and played cricket on top of the fortress, having raised over £1000 for charity as part of my Hatherley & Reddings Tour in 2018.
- Scoring a 50 in Colombo in 2018 and then having hundreds of photos taken with local players/spectators post-game. A 'celebrity' moment.
- Scoring the winning runs in an U19 T20 game, with a best friend of mine at the other end, to win a local-derby and progress to a final, having been a long way behind in the game, and winning with 1 ball to spare.

HOPES FOR THE TOUR?

The Sri Lanka tour is one of my highlights to the county programme and offers a great opportunity for us to continue to explore and apply our skills, show some 'flare' and most importantly, enjoy the once-in-a-lifetime experience! As a team, the Sri Lanka tour will give us the chance to apply some of our learnings from the 2023 season, in the form of 'batting against spin', 'game-changing fielding', 'bowling options' and our proactive, attacking and exciting approach to the game. As with our fixtures in England, the coaches will be fully supportive of players exploring run-scoring and wicket-taking options (regardless of outcomes), trying to implement some of our practiced skills and playing the game without fear. The tour is a brilliant opportunity for us to approach each game in the style that we've been working towards and as we lead into the 2024 season, if we can take away some confidence, clear game plans, problem-solving tactics and the continued enjoyment of the game, then the tour has been a great success!!

We also hope that everyone takes the time to enjoy the culture, sights and atmosphere in Sri Lanka – it's an amazing country, with incredibly friendly people, so definitely make the most of this part of the tour too! We have a great opportunity to experience this as part of the charity day too, where we can support, help and inspire local schools! (I also hope to eat plenty of the amazing Sri Lankan food and on occasions, try to speak Sinhala to some locals!)

FAVOURITE CRICKETER?

AB De Villiers

OTHER INTERESTS?

Coaching and managing teams (at Hatherley and Reddings CC, Wiltshire Cricket and Western Storm), Skiing, supporting Pranav Foundation, visiting friends and families both locally and as far away as Sri Lanka.

GIRLS COACH PROFILE

LOIS WRIGHT

COACHING BIO

I started coaching county cricket during my a-levels as injuries restricted my playing and I wanted to stay involved with all things cricket related. Last season I had my first full season back playing at club and county for over 5 years as a result of my shoulder injury and surgery. I now enjoy T20 friendlies at Sutton Benger, women WEPL at Devizes and playing for the Women's County XI. Despite the injuries my coaching continued throughout university and into my teaching career - for 10 years now I've not looked back and enjoy every minute of coaching. I've been involved with all age groups of the girls pathway over the years and this season I am working with the u15s and u18s squads. I am a Level 2 coach eagerly awaiting to undertake my level 3 qualification... if being a geography teacher allows the time for it! I hope to continue working along side the girls squads and Wiltshire cricket for many years to come.

FAVOURITE CRICKET MEMORY?

This is tricky, I have so many! Most recently as a spectator seeing England win the 3rd Ashes Test with Woakes and Wood batting to get the winnings runs. I don't think I've ever felt so nervous followed by such excitement and adrenaline from seeing that ball cross the boundary right near us for the win.

HOPES FOR THE TOUR?

Having been fortunate enough to travel to Sri Lanka in 2022, I know the impact the tour has on the players. I cannot wait to see how the girls progress over the tour; physically, mentally, technically and tactically. It's great to have some of our talented younger players coming on tour as well as some returnees; Sam and I have been working hard (and will continue to) to ensure the players get the most out of the tour for themselves individually and as a team. I hope that the girls come back from the tour with even more love and understanding for the game and are raring to go for the spring and summer.

FAVOURITE CRICKETER?

SRI LANKA 2024

BOYS TOUR

As we look ahead to a long English winter, the thought of another Wiltshire CCC tour to Sri Lanka fills me with excitement. The matches and experience visiting Sri Lanka is the perfect location to celebrate the boys & girls pathway journeys. The tours are an important element of the Wiltshire CCC pathway offering; their frequency is ahead of other counties, and we do this deliberately because of the positives we see in their cricketing development primarily but also their interpersonal skills and friendships gained through the experience.

The tour will present opportunities to challenge and develop their cricket, experience the beautiful sights of Sri Lanka, build great friendships, enjoy the company of the lovely Sri Lankan people, and give something back to those struggling through the Charity Pranav.

Galle remains one of my favourite cities, and I look forward to visiting the Fort on every tour. The boys & girls will all return with their own fond memories, whether that's overcoming a challenge on the cricket field, holding turtles, or just playing in the hotel pool; the tour has many enjoyable and rewarding opportunities, which I know previous groups have benefited from greatly.

Sri Lanka has so much to offer, including stunning landscapes, delicious food, and perfect beaches. Lions Sports Travel has all the experience of visiting Sri Lanka to fully immerse ourselves in these wonderful aspects. I know they will deliver another great experience like previous trips.

I encourage all the boys and girls to dive into this opportunity. Embrace the challenges the cricket will present without dwelling on the outcome of games or individual scores, more so the opportunities to learn and return home as better cricketers. Whilst always being grateful for their opportunity and mindful of what behaviours would be fitting of reflecting themselves and Wiltshire cricket positively.

Lastly, thank you to the parents for supporting this tour. We appreciate the significant financial commitment; the boys and girls are lucky to have this opportunity, and parents who are willing and able to provide this.

BOYS COACH PROFILE

TOM MORTON

COACHING BIO

As well as playing for Wiltshire 1st XI since 2006, I have coached them since completing my Level 3 coaching award in 2018. Other coaching appointments have been within the Hampshire CCC pathway & pro squad, Middlesex CCC pathway, Southern Vipers and Solent University. My playing background has been mainly in the Southern Premier League for South Wilts CC, but I also represented Hampshire 2nd XI over the course of a decade, plus one unexpected game for New Zealand.

FAVOURITE CRICKET MEMORY?

Scoring a 100 at Lords (sorry).

HOPES FOR THE TOUR?

My hope for the tour is that the boys and girls have the same fantastic experiences as previous tours. Benefitting from the challenge of playing in different conditions, the cultural opportunities on days without games, and the friendships which can be developed on and off the field.

Whilst playing the game in the right spirit and representing Wiltshire CCC positively.

FAVOURITE CRICKETER?

Steve Waugh

OTHER INTERESTS?

Surfing, triathlon & holidays with my wife and two boys.

BOYS COACH PROFILE

SAM DUDLEY

COACHING BIO

After playing age group cricket in Cumbria, I aspired to complete a 'Level 2 in Coaching Children's Cricket' so that other young children would have an opportunity to love the sport as I did. This led me to adopt many different roles as a Cricket Coach, Performance Analyst and Strength & Conditioning Coach, and subsequently, fall into Wiltshire's Talent Pathway and performance sport. I thrive to develop our players to be the best they can be, on and off the field.

FAVOURITE CRICKET MEMORY?

My first adult cricket match (100 Ball Format): South Wilts Cricket Club 1st XI vs Hampshire Academy at The Ageas Bowl, Academy Ground

HOPES FOR THE TOUR?

To use the experience of a different cricketing culture to assist in player and coach development, whether it is a particular skill, way of training or overall thoughts towards the sport. I also want to create personal and team experiences, as well as memories that will last a lifetime

Play more cricket.

Play a **wider variety** of cricket, including timed games.
Play on some of the region's **finest club, school and military grounds**,
alongside cricketers from across the county.

Generations of talented local players have expanded their cricketing horizons playing for the **Wiltshire Queries**.

This summer, you're invited to do the same.

Find out more at www.wiltshirequeries.play-cricket.com
www.facebook.com/queriescc, or
by emailing simon.campbell@quantuma.com

- * Midweek and Sunday games
- * Competitive yet sociable
- * Inclusive atmosphere, where all are welcome

THANK YOU for supporting the young people of SRI LANKA

Together you are making a difference. Thank you again for supporting some of the children in Sri Lanka with the opportunity to play cricket, the sport they love the most with the right kit.

HELPING HANDS

PRANAV Foundation has organised a kit donation event during the Wiltshire Cricket Tour to Sri Lanka in February 2024. The Wiltshire players will have the opportunity to present the sports equipment in person to some of the exceptionally talented less fortunate local players from the South Western region of the Island.

DURING THE TOUR...

To further this cause, Wiltshire Cricket will be actively stepping up fund raising efforts in support of **academic scholarships & improving local playing facilities.** This valiant effort will pave the way for many more children to continue playing whilst also being financially supported towards their education.
